I am currently a freelance Line Producer working on HETV Drama and Comedy, my latest project was BREEDERS S4, 10 X 30 Comedy/Drama made by Avalon for Sky/FX. Before that I worked on TRUELOVE, a 6 x 1 hr drama for C4 made by Clerkenwell Films. Between March 2016 and Dec 2021 I was at Baby Cow Productions as **Head of Production**. This followed over six years as a freelance Line Producer in TV narrative comedy. I also line-produced the feature film: David Brent – Life on the Road, written and directed by Ricky Gervais.

Before becoming freelance, I was staff at the BBC working on high-profile productions across both comedy and entertainment. In particular, the annual Comic Relief/Sport Relief TV appeals where it was necessary to draw on my past experience of 'shiny floor' shows, comedy dramas, sit-coms and sketch shows.

I pride myself on putting together strong, efficient and happy production teams who work well together. I have a reputation for bringing shows in on budget whilst still managing to satisfy the creative needs of the talent, directors and producers.
